Job Description

About the Role As an Uber Intern, you'll have a direct impact on the customer experience for both riders and drivers. Do you like our service and want to bring them to the next level? Do you have a beef with our app and want to fix it? Then you should apply to join our team. We are ambitious, engaged and excited about disrupting the transportation industry across the world. Not just another social web app: we are moving real assets and real people around their cities. Outside of your work, you will build meaningful relationships with other Interns and Uber mentors through a variety of summer activities. If you meet these criteria, we welcome you to apply. Qualifications and Desired Skills Actively pursuing a B.Tech or Integrated Dual Degree (anticipated graduation in 2022) in Computer Science, Electronics Eng, Electrical Engineering, Mechanical or Mathematical Sciences or related fields Demonstrated software engineering experience through previous internships, work experience, coding competitions, and/or publications Programming experience one or more application or systems languages (Go, Python, Ruby, Java, C/C++, etc) Interest in building tools/infrastructure A desire to be part of a team that delivers impactful results every day A commitment to writing understandable, maintainable, and reusable software An innate desire to deliver and a strong sense of accountability for your work Willingness to learn new languages and methodologies About Uber: We're changing the way people think about transportation. Not that long ago we were just an app to request premium black cars in a few metropolitan areas. Now we're a part of the logistical fabric of more than 600 cities around the world. Whether it's a ride or a sandwich, we use technology to give people what they want, when they want it. For the people who drive with Uber, our app represents a flexible new way to earn money. For cities, we help strengthen local economies, improve access to transportation, and make streets safer. And that's just what we're doing today. We're thinking about the future, too. With teams working on self-driving cars and flying vehicles, we're in for the long haul. We're reimagining how people and things move from one place to the next. We're bringing Uber to every major city in the world. We need your skills and passion to help make it happen! Be sure to check out the Uber Engineering Blog to learn more about the team. Uber is an equal opportunity employer and enthusiastically encourages people from a wide variety of backgrounds and experiences to apply. We don't discriminate on the basis of race, color, religion, sex (including pregnancy), gender, national origin, citizenship, age, mental or physical disability, veteran status, marital status, sexual orientation or any other basis prohibited by law.
