### Job Description

Programme title: Deutsche Bank Internship Programme Business Division: Investment Bank: (FIC) Fixed Income & Currencies Location: Mumbai About Deutsche Bank: Deutsche Bank is the leading German bank with strong European roots and a global network. We're driving growth through our strong client franchise. Against a backdrop of increasing globalization in the world economy, Deutsche Bank is very well-positioned, with significant regional diversification and substantial revenue streams from all the major regions of the world. We serve our clients' real economic needs in commercial banking, investment banking, private banking and asset management. We are investing heavily in digital technologies, prioritizing long term success over short-term gains, and serving society with ambition and integrity. All this means a career packed with opportunities to grow and the chance to shape the future of our clients. The Deutsche Bank Internship Programme: An internship at Deutsche Bank is your stepping stone to success and your first look into what life is like on our Graduate Programme. You'll become part of a collaborative and inclusive workplace as you build on your technical and interpersonal skills, take on real responsibilities, hear from senior leadership through our speaker series, work on live projects, grow your network and learn first-hand how we deliver for our clients. If you want the opportunity to shape your own career as well as the future of the financial industry, then we will give you the platform and foundation to do so. Successful interns will be invited to join the Deutsche Bank Graduate Programme. About the business division: Fixed Income & Currencies (FIC) brings together a top-ranked institutional sales force, world-class research with trading and structuring expertise across Foreign Exchange, Rates, Credit and Emerging Markets. The Fixed Income & Currencies business enables Deutsche Bank to respond to increasing automation, regulatory expectations and client demand for standardisation and transparency in execution across fixed income, currency and emerging markets. We provide a full product spectrum from basic liquidity provision in the spot market to innovative derivative solutions for both asset and liability managers. Rates business enables clients to access our product expertise in fixed income securities and OTC derivatives. We also offer clients with a wide range of credit traded products such as bonds, loans and claims, as well as structured risk and non-flow financing solutions Division specifics about the role: As an intern at DB Centre you would have the opportunity to work with our teams supporting the bank's businesses globally. Your work may include: • Working with global teams within IB and interacting with bankers, traders or structures in different regions • Developing a strong understanding of ongoing macro events and their impact on various asset classes • Performing client/credit/trade analysis, identifying trade ideas and creating client pitch books What we look for: At DB Centre, our people are our success. Our employees are exceptional people from diverse backgrounds and cultures focused on performance. The diversity at DB Centre helps us generate fresh ideas and innovative solutions setting us apart from our competitors and adding value to our clients. To be hired for DB Centre, you would need to: • Have a preference to work in and have essential knowledge of investment banking and/or financial markets • Possess the drive to tackle new challenges with enthusiasm and resilience • Possess good quantitative, numerical and analytical skills • Have good communication skills and be willing to collaborate and share knowledge • Possess a commercial and a practical perspective towards business • Have good interpersonal skills Our values define the working environment we strive to create – diverse, supportive and welcoming of different views. We embrace a culture reflecting a variety of perspectives, insights and backgrounds to drive innovation. We build talented and diverse teams to drive business results and encourage our people to develop to their full potential. Talk to us about flexible work arrangements and other initiatives we offer. We promote good working

relationships and encourage high standards of conduct and work performance. We welcome applications from talented people from all cultures, countries, races, genders, sexual orientations, disabilities, beliefs and generations and are committed to providing a working environment free from harassment, discrimination and retaliation.
