Job Description

Description: Equities is a business unit within the Global Markets Division. Credit Suisse is a market leading provider within this space and is a partner of choice for more than 400 leading hedge funds and other marquee institutional clients. We provide traditional prime brokerage and financing offerings across multiple asset-classes with value added services for our partner Hedge Fund Clients including; business consultancy, capital services (raising/structuring), securities lending and clearing. Our aim is to support the growth of our clients and deliver the full suite of products available across Credit Suisse. We emerged as the best Prime broker according to the statistics drawn by the Global Custodian magazine soon after the crisis in 2009 and since been reigning in the league of the "big banks" globally. Reputed as the safest Equities provider we currently manage assets in excess of \$350bn and offer a class-leading offering. Our Mumbai office is a front office hub which blends experience and informed insight to create solutions that are grounded in a deep understanding of the unique needs and challenges faced by our clients & the business. The team in Mumbai is an integral part of the business with bottom-line contribution and possesses expertise spanning across key functions such as index management, trade-idea generation, risk & margin assessment, client pricing, business analytics, balance sheet & liquidity management, client onboarding, order management, controls, etc. Employee Profile: The role offered has responsibilities ranging from Quantitative Analytics, Risk & Margin Analysis, Collateral, Liquidity & Funding Management, Stock Lending, Trade Idea Generation, Structuring of Index and ETF products for Hedge Funds, Portfolio Pricing, and Generating Market Color & Client Reviews. Strong analytical capabilities with attention to detail will be elementary for all candidates. Prior knowledge of financial products, market structure and financial services in addition to some technical skills relating to MS Excel, VBA, and Python will help, but is not a pre-requisite. Qualifications: Interested candidates must be able to demonstrate the following qualifications and competencies: Strong analytical skills Good communicator (Writing, listening & playing back, presenting) A team player with strong attention to detail Ability to take ownership of tasks and issues and seeing them through to completion within allotted timeframes Credit Suisse is committed to a professional and inclusive work environment where all individuals are treated with respect and dignity. Credit Suisse is an equal opportunity employer. © 2020 CREDIT SUISSE GROUP AG and/or its affiliates. All rights reserved. Whatever your background, you'll need to be: A critical thinker with excellent problem-solving skills A proactive self-starter who achieves significant results A supportive and adaptable team member who can build strong relationships An articulate communicator who also recognizes the importance of listening Principled and committed to the highest standards of ethical behavior A leader who engenders loyalty, assumes responsibility and mobilizes others
